Description of Institution

The University of Tasmania is Australia's fourth oldest university and ranked in the top two per cent of universities worldwide. Our exceptional facilities and international reputation for excellence make a degree from the University of Tasmania a truly global asset. The University of Tasmania is recognised for its quality teaching through national and international bodies. The results of the prestigious US News Best Global Universities rankings place us in the Top 100 universities globally for both Earth Sciences, and Animal and Plant Sciences disciplines.

Similarly, the QS World University by subject rankings 2017 place us amongst the world’s top universities in a range of disciplines, including Top 100 for agricultural sciences and marine sciences, and Top 200 for law and environmental sciences. When you study at the University of Tasmania you benefit from smaller classes, personalised attention and ready access to lecturers and tutors.

The University of Tasmania has the second-highest graduate starting salary amongst Australian universities and is also amongst Australia’s top universities for social equity and student-to-teacher ratio, according to the 2019 Good Universities Guide.

The University of Tasmania has everything you’d expect from a world-class institution with the benefit of a supportive and friendly community and based in one of the most incredible locations of the world.

General overview

The University of Tasmania has campuses for International students in the two main cities of Tasmania – Hobart in the south, Launceston in the north. Our campuses make the most of Tasmania's geographical advantages including rivers, mountains and beaches and are close to business hubs and public facilities. Each campus is large enough to offer a vibrant and unique learning environment, but still small enough to ensure friendly interaction between staff and students, and a strong focus on the individual. As University of Tasmania student, you can take full advantage of on-campus student life, participating in student clubs and sporting activities, enjoying a snack at our restaurants and cafes, studying at our 24/7 libraries or casual study lounges, or walking around our award winning campuses.

Listing of courses

We offer over 100 qualifications including;
- Arts (Fine Arts, Performing Arts)
- Public Policy, Social Work, Languages

- Data, Knowledge and Decisions

Overview of services offered

Whether it’s helping you to find your feet, make new networks, or get help with study, student support services are designed to enhance your student experience and promote your academic success, including access to International Student Advisors, learning development, language support, personal counselling, social activities, spiritual and pastoral care, support with health conditions and disabilities and career development and access to a free employment service.

The student experience

Our friendly staff have carefully designed a range of transition programs including orientation, study groups, skills workshops, and social events to give you the best possible start. Imagine a vibrant student lifestyle, with cafes, restaurants and bars, a calendar jammed with music and arts festivals, historic cityscapes on the water, magical auroras, soaring snow-capped peaks, adrenalin-inducing adventure sports, World Heritage wilderness, sparkling beaches, and great shopping. Not to mention some pretty cute animals found only in Tasmania. With a roll call like this it’s not hard to understand why Tasmania is listed in Lonely Planet’s Top 5 Must Visit Destinations 2015 and as one of the Top Five Islands of the World by Travel and Leisure Magazine 2016. It’s simply an awesome place to be a student!

Accommodation

Excellent on campus accommodation with water views and/or central locations from $190 per week.

English Language Courses

UTASAccess – Direct Entry provides a pathway to the University of Tasmania and is designed to help you acquire the necessary English level to succeed in your chosen degree. You can satisfy the English requirement for University of Tasmania degrees with this program without the need for further internationally recognised exam results such as IELTS or TOEFL.

Location: Hobart or Launceston (note: the campus where you study English will be the same as the location of your degree).

Duration: 5-40 weeks (note: the time you spend in this program will depend on your English entry level and how quickly you reach the required level for your chosen degree).

Levels: From Pre-intermediate to Advanced

Scholarships offered

The Tasmanian International Scholarship (TIS) provides commencing international students with a 25% reduction in registered tuition fees for the duration of their course (provided satisfactory grades are maintained). Generally, applicants will require the equivalent of an overall B+ average or higher.

Applicants are automatically assessed for the Tasmanian International Scholarship at the time of submitting their International Student Application. Selection for this scholarship will be based on academic merit achieved in studies at secondary, diploma and degree level courses, and qualifications and grading scales can vary significantly from country to country. Applications are assessed for all semester intakes and selection for this scholarship will be based on an applicant's highest level qualification prior to commencing their intended study program (minimum one year duration).
Other programs

I-PREP is a work preparation program and internship for international students to better equip them for their future working lives, whether that be in Tasmania or globally.

I-PREP will help you:

- Recognise and adjust to workplace culture
- Improve your communication skills
- Succeed at the job application process
- Develop interview skills
- Build and enhance your professional networks.

I-PREP internship program introduces you to the employer, you do not need to find an employer by yourself.

You will improve your understanding and familiarity with the workplace, develop your employability skills and gain relevant experience to enhance your resume.

The internship will be unpaid and you can expect to be in the workplace between 45-80 hours.
